

Pulse Milwaukee Line/ 270 Public Hearing

Public Hearings on the Proposed Implementation of Pulse Milwaukee Line and Reduction of Service on Route 270 Milwaukee Avenue

1) IMPLEMENTATION OF PULSE MILWAUKEE LINE:

Pulse is a rapid transit service proposed for Milwaukee Avenue to provide fast, frequent, limited-stop bus service between Jefferson Park Transit Center in Chicago and Golf Mill Shopping Center in Niles, stopping at Golf Mill, Dempster, Main, Oakton, Harlem, Touhy, Devon, Austin, Central, and Jefferson Park Transit Center.

New Pulse stations include heated shelters, pavement snowmelt systems, bike racks, and real-time bus arrival signs. Pulse Milwaukee Line will only stop at these strategically-located stations.

Additionally, Pulse Milwaukee Line is proposed to improve the frequency and hours of service on Milwaukee Avenue. Pulse stations will also be served by Route 270 and at some stations by CTA and Niles Free Bus routes.

Route 270 will continue to operate weekday, Saturday, and Sunday service between Jefferson Park Transit Center and Golf Mill Shopping Center. On weekdays and Saturday, certain Route 270 trips will continue to operate between the Jefferson Park Transit Center and Glenbrook Hospital in Glenview.
